Mission & Values

Mission

To glorify God by equipping urban students academically, socially, and spiritually for future lives of leadership and service.

Vision

Brookstone Schools seeks to raise up the next generation of leaders from Charlotte's inner-city neighborhoods by caring for entire child and inviting families to invest in the lives of their children. After 15 years of existence, our results show a solid track record of our students' academic achievement and growth. Future expansion will include a preschool, after-school program, and the addition of residential housing to provide a safe and supportive full-time environment for students who are most in need.

Values

We believe that the Old and New Testament are inspired by God and are the final authority in faith and life.

We believe that God in the person of the Holy Spirit convicts, teaches, and empowers those who accept Jesus as their Lord and Savior.

We believe that as the body of Christ we are called to serve one another in love.

We believe that academic excellence equips students to glorify God through the vocation in which they will be led to serve.

We believe a Christ-centered education will produce the next generation of culture-shaping leaders.

We believe parents are vital partners in providing the nurture, support, and modeling crucial character formation.

About

Brookstone Schools offers an opportunity for parents who want a choice in how they educate their children but are unable to afford a private Christian education. Our students learn not only facts, but how to use this knowledge in all aspects of their lives. They are learning to be polite, mature, disciplined scholars, and leaders who live in accordance with Judeo-Christian values.
